

# Presenting For Success

## Design and Deliver Presentations With Impact

*"The key to impactful presentations is not just knowing your material and your audience, it is knowing yourself."*

**A workshop aimed at everyone needing to make presentations to clients, colleagues and stakeholders.**

**Learn how to design and deliver engaging presentations that make real impact.**

This fun and interactive workshop will give you a practical insight into what is required to design and deliver a masterful presentation. Learn the tips that will have you engage with the audience and have the audience engage with your message. You will be able to deliver a presentation that will ensure you achieve the outcome that you are wanting.

Facilitator-led discussions, group work and self-reflection activities will enable you to apply concepts, tools and techniques that will provide:

- Guidelines for preparing your presentation
- Understanding of how to structure your content
- Ideas of how to minimise your reliance on PowerPoint
- Tips to master your body and harness your voice

A light lunch and participant workbook will be provided.

To register please contact Brunswick Business Incubator.
